PRACTICAL RESOURCE / JOBCOACH

Jobcoach - Evidence Story Worksheet

Setting (paid work, school, volunteering, caregiving, personal or practice project):

Target role or skill (optional)

What should this example help demonstrate?

What was happening?

Describe the problem, need, or task. Required.

What did you personally do?

Explain your decisions and actions, separating your contribution from the team’s. Required.

What happened afterward? (optional)

Use an outcome you can describe accurately. Leave it blank if the result is not known yet.

What supports the outcome? (optional)

Describe evidence such as a delivered artifact, observed change, or documented feedback. Do not paste confidential records.

What did you learn? (optional)

What would you repeat, change, or check next?

Review: Can I explain my own contribution? Is the setting accurate? Which claims need checking? Have I removed confidential information?
